

THE ROTARY HYMN

Tune : Melita by John N Dykes

1. Eternal God, we look to Thee
That true and steadfast we may be.
Grant us thy strength to make us strong,
To serve the right and shun the wrong.
Help us to keep a noble aim,
And through our work our faith proclaim.

2. Grant us the ready heart that heeds,
And swiftly serves another's needs,
Through kindly deed and loving thought,
So we may our help be freely wrought;
That in our lives truth be known
"Man lives not for himself alone".

3. God of all nations hear our prayer
For all thy people everywhere,
And grant that we through Rotary ways,
May lead the world to better days,
When hatred, strife and war shall cease,
And all the world shall know Thy peace.
