An application form for membership of the Lincoln Motor Cycle and Car Club Ltd is overleaf. If you wish to become a member, will you please arrange for the form to be completed, signed and returned to the Honorary Treasurer at the above address together with the remittance to cover the appropriate membership fees. You are notified that the Club is a Company Limited by Guarantee from each Member of £1.

Please note that it is your responsibility to find a proposer and seconder for your application and these must be an officer or paid up full member of the Club. If your application is accepted it is the duty of the proposer to introduce you to the Club.

Applications are considered at monthly Board Meetings and therefore there may be a delay before you receive notification by the issue of your membership card, whether your application has been accepted. If your application is not successful your remittance will be returned.

Motorcycle competition membership is available to persons residing outside a 10 mile radius of the Stonebow, Lincoln. This only allows competition in Club events to win awards but not to win Championship awards and does not entitle such members to voting rights or other club facilities. Competition members do not require a proposer or a seconder. Junior membership is available for up to and including the age of 16.

All membership is for a calendar year with subscriptions being due for renewal on 1st January each year. However if you join between 1st October and 31st December your initial membership fees will also include the next calendar year.

Communications to members may also be made electronically if the member indicates so on the application form.
