

# Syd Thomas - Machynlleth's Wales International Footballer

We'd like to introduce you to a book on Machynlleth's only international footballer, Syd Thomas. Author David Wyn Davies has written a fascinating life story of the Machynlleth man who shone with Fulham and Bristol City and in addition earned full International caps playing for Wales. His golden period at Fulham covered the years 1939-1950 (interrupted by the Second World War) and he was only prevented from building on this fame at Bristol City because of serious illness. In his time he played against probably the most famous of all England international forward lines - Stanley Matthews, Tommy Lawton, Stan Mortenson, Wilf Mannion and Tom Finney. Today Syd is in his 90s and lives quietly at home in Machynlleth; we are very grateful for his full co-operation in the writing of this book.

The book, containing photographs of Syd during his glory years, is a strictly limited edition, which was available by subscription only.
